Planning

The screenshot shows the 'Planning View' tab selected, indicated by a blue arrow. The interface displays a table with columns for ID, Name, Position, Span Day, Assign Date, Project, and Remark. Each row represents an employee with their details and fields for assignment.

#	Name	Position	Span Day	Assign Date	Project	Remark	
1	Abadi Hamam	Field Operation	day(s)	dd/mm/yyyy	Choose Project		Save
2	Abdullah Mlaha Aslam	field HRD	day(s)	dd/mm/yyyy	Choose Project		Save
3	Abdullah Halid	Field Mechanical	day(s)	dd/mm/yyyy	Choose Project		Save
4	Achmad Fauzi	Operator	day(s)	dd/mm/yyyy	Choose Project		Save
5	Adam Supriyomo	field	day(s)	dd/mm/yyyy	Choose Project		Save

Untuk melakukan planning penugasan karyawan, klik pada tab planning view, akan tampil data seperti gambar di atas.

This close-up view shows the 'Assign Date', 'Project', and 'Remark' columns. Each row contains a date input field (dd/mm/yyyy), a project selection dropdown (Choose Project), a remark text area, and a green 'Save' button.

Assign Date	Project	Remark	
dd/mm/yyyy	Choose Project		Save
dd/mm/yyyy	Choose Project		Save
dd/mm/yyyy	Choose Project		Save

Isi assign date, project, dan remark, kemudian klik save.
